2008 Integrated Pest Management Seminar

January 10, 2008
OIT College Union Auditorium
Klamath Falls, OR

The annual Integrated Pest Management Seminar is sponsored by University of California and Oregon State University. California Pesticide License recertification has been approved for 7 hours of continuing education credit. Registration is \$50 at the door and includes lunch. Detailed agenda on the following page!

California Garlic and Onion Symposium 2008

February 11, 2008
UC Cooperative Extension, Tulare County—
Agriculture Building Auditorium
Tulare, CA

Attend this symposium to hear the *latest* research information for California Growers. If you are planning to attend it is vital you make reservations as soon as possible. Accommodations may be difficult to find due to the World Ag Expo/Tulare Farm Show starting on February 12th. Check out the detailed agenda on the following pages.

Klamath Basin Potato Grower Seminar
February 19, 2008 8:00am-12:00noon
Merrill Civic Center
Merrill, OR

This year's annual Potato Grower Seminar agenda is still in the works! Our next newsletter will contain the agenda. An afternoon meeting is planned for the United Potato Growers for those who would like to stick around after lunch and participate in a marketing discussion.

Klamath Basin Grain Grower Seminar
March 4, 2008 10:00am-3:00pm
Merrill Civic Center
Merrill, OR

The detailed agenda is not yet finalized, but anticipated topics include: trends and updates in small grain research, variety evaluation research, wheat marketing and projections regarding future crop sales, marketing and crop utilization. Local updates will be provided along with plenty of time for questions.

2008 Intermountain Pest Management Seminar
Thursday—January 10, 2008
O.I.T. College Union Auditorium
Registration Fee \$50.00
